PROFILE

Experienced full-stack developer with over 1 year of experience, i have full involvement in various projects, among which is the complete development of a corporate website for one company from Argentina as part of 6 developers team. Skilled in both front-end and back-end development, with strong abilities in time management, communication, attention to detail, and teamwork. I am proficient in a range of technologies, including but not limited to JavaScript, TypeScript, Python, React, Redux Toolkit, SQL, PostgreSQL, Tailwind, Next.js, Express.js and more. Additionally, I have a B2-C1 level of proficiency in English and native-level fluency in Spanish.

EXPERIENCE

LinkIT – Internship (Remote, Argentina)

2023 – 2024

As an intern for this company, I contributed to the development of a corporate website from the ground up as part of a team of 6 developers, focusing primarily on front-end tasks while also supporting back-end work. I used technologies such as TypeScript, React, Tailwind, Motion, and Redux, improving my technical and soft skills. I developed effective communication, time

EDUCATION

Universidad Romulo Gallegos (UNERG).

2024 - Present

Currently pursuing a degree in Computer Science with a focus on software development, databases, and web technologies.

management, teamwork, and leadership abilities, all within a SCRUM-based framework.
